Time for Annual Board of Directors

Ed Pierson and Brad Sherseth have requested that new faces be elected to the board to replace them. We are pleased to tell that three (yes, I did say three) members have stepped forward to be considered for the Board of Directors. Please take a minute and go to this website to complete the YBA election ballot (just click on it)

PRESIDENT'S MESSAGE

Don't miss this great opportunity on Saturday Dec. 7th at 8:00 at the Babcock.

Special Consensus

Oh Brother, That's good Bluegrass! Grammy Nominated, Best Bluegrass Album 2012

Special Consensus is a superb bluegrass outfit in a classic vein but with more than enough modern sensibilities to attract every ear in this now pleasantly fractionating genre. The vocals are spotless, the playing as shiny as a newly minted penny, and music like this is the reason people come to love bluegrass... Special Consensus approaches this hallowed American musical form with boundless energy and an aesthetic reverence that tickles the ribs, tugs at the heart, and puts a restless two-step in boots and bare feet...
